## Decisions:

1. Current acting chairperson of NRNA-Finland Ms. Byoma Tamrakar officially opened the meeting at 10:30 AM.
2. The meeting unanimously selected Mr. Shrawan Khanal as the chair for the meeting. After the selection of the chair, the chair of the meeting was handed over to Mr. Shrawan Khanal.
3. Mr. Prem Raj Adhikari was unanimously selected as the secretary for the annual general meeting.
4. Mr. Bhawani Chamlagain and Mr. Sushil Gautam were also unanimously selected as the checkers of minutes of the AGM to be written by Mr. Prem Raj Adhikari.
5. Current acting chairperson of the NRNA-Finland Ms. Byoma Tamrakar presented the annual report of NRNA-Finland for the year 2009-10 (cf. section 2, page 8-14). The highlights of the presentation were that the elected chairperson in August 2008 elections was not active because of his business and personal reasons. Hence, Ms. Byoma Tamrakar was appointed as the acting chairperson by the board. The objectives of NRNA-Finland were elucidated in a broader context. Some of the objectives included accessing the ways to help Nepal in different areas. She said that NRNA-Finland plans to help students but since the organization is an NGO, it can not officially provide support to the students especially regarding official matters. Acting chairperson acknowledged that all the promises of the present board were not fulfilled. Since, this was the first officially elected board; they had many hindrances in working in general. However, they have set the directions and gathered many experiences and newly formed board can utilize those experiences and work better. She especially focused on financial problems of NRNA-Finland. Out of €10 collected from the members as membership fees, \$3 is to be paid to the NRN international co-ordination council. She said that the members should be mainly focus on what they can do for NRN rather than thinking what NRNA can do for them. There are three Nepali organizations in Finland: NRNA-Finland, Suomalais-nepalilainen yhdistys ry and Suomi-Nepal Seura. They had a meeting and decided on three proposals: a. Constructing Nepali Temple b. Celebrating Nepali festivals and c. Running Nepali school. However, major success was not achieved in any of the three proposals because of the lack of resources. Joint organization of Dashain celebration with Suomalais-nepalilainen yhdistys ry, organization of sports activities like football and volleyball, organization of summer picnics, and promotion of Nepal tourism year with an event organized in presence of Manisha Koirala, the Bollyhood actress of Nepali origin were the major achievements of NRNA-Finland. NRNA-Finland is searching for ways to help students in different ways but has not yet found solutions to the problems such as visa renewal and unavailability of work. Sushil Gyawali presented the part of the report containing the ICC relationships.

**Discussions:** Mr. Gautam Raj Moktan raised the issue regarding changing the objectives of the organization so that it differs from other Nepali organizations here in Finland. Sushil

Gautam raised the issue about not involving the general members in raising and spending funds for the library project in Nepal. Representatives from the current board Mr. Krishna Bhandari, Mr. Sushil Gyawali and Mr. Arun Pokhrel answered the questions raised by the members. Mr. Krishna Bhandari is coordinating the library project in Nepal, so interested members can contact him directly. The annual report was unanimously approved.

6. Current treasurer of NRNA-Finland Mr. Arun Pokhrel presented the financial report (cf. section 3, page 16-21). Financial report was also unanimously approved by the AGM.
7. Current acting chairperson of NRNA-Finland Ms. Byoma Tamrakar presented the activity plan for the year 2011 (cf. section 4. page 15). The activity included sports, summer picnics and already accomplished work such as honoring of the graduates. Activity plan was also unanimously approved.
8. Current treasurer of NRNA-Finland Mr. Arun Pokhrel proposed the budget for the year 2011 of € 11,000 (cf. section 3, page 21).

**Discussions:** Mr. Devi Dutt Sharma questioned the budget as the planned expenses were €11,000 but the current account of NRNA-Finland only has €1,700 in the form of assets. Mr. Suman Aryal questioned the budget planned for sports activities were €1,200 but last year's expenses were only around €160. Mr. Arun Pokhrel answered the queries saying that NRNA-Finland would organize some fund raising activities to collect the fund and apply to different funding agencies for the funds as well as the sponsors. Regarding the expenses of for sports activities, Mr. Pokhrel said that expenses would be around €1,000 but the bills were payed only in year 2011 so the expenses would be included in the financial report for the year 2011. Mr. Suman Khadka answered about the rise in the cost for sports activities is because NRNA-Finland plans to have grassy outfield this year instead of muddy outfield used last year so the cost would increase. Financial report was also unanimously approved by AGM. Suman Aryal also raised the issue about the presentation for the winners of sports activities. His suggestion that prizes should be something concrete such as medals and souvenirs was unanimously approved. Also the suggestion that beers should not be given as prizes were unanimously approved as the participants for the sports activities could be below 18 years of age.

9. Mr. Sushil Gyawali proposed exemption of liabilities for current board as new board is going to be elected. The proposal was unanimously passed by AGM.
10. The AGM also unanimously passed a vote of thanks to Chief financial officer of cancer society of Finland Mr. Eero Keränen for auditing the account of NRNA-Finland free of cost. Mr. Keränen was also unanimously approved as the auditor for the year 2011.
11. Byoma Tamrakar raised the proposal about the changes in the membership fees. Mr. Bal Krishna Shrestha proposed the plan to decrease the membership fees for the students. Many board members discussed the issue and since no unanimous decision could be reached, the chair of the meeting Mr. Shrawan Khanal put the motion on the floor for voting. The motion was "Should any changes be made to the current membership fees structure?". The AGM with a majority voted against making any changes to the current membership fees. The

results were 21-8-2 where 21 members voted that there should be no changes to the current fees structure, 8 voted that there should be some changes where as 2 members remained neutral on the issue.

12. In among other decisions; Mr. Shrwani Khanal was unanimously chosen as the official link to the media for NRNA-Finland activities. He would be contacted by current board for distribution of news in future.
13. Election committee chair Mr. Gautam Raj Moktan presented the election procedures and results. The election result is also included in this report (cf. section 5, page 22). Election committee member Prem Raj Adhikari discussed the election procedures especially with regard to the election of ICC representative. Since the NRN-Finland's charter was silent on the election of ICC-representative, Mr. Sushil Gyawali proposed amendment to the current NRN Finland's charter that ICC-representative be directly elected from the AGM. The AGM unanimously decided to amend the NRNA-Finland's constitution. The chair of the meeting Mr. Shrwani Khanal officially called off the meeting at 12:30 PM.

## **ICC Report**

The ICC Representative of a national NRN association is to work as a liaison between the executive body of the ICC organization and the National NRN organization. In this regard all activities of the ICC representative for Finland are related to being the interface between these two bodies.

One of the first was the attendance in the Fourth NRN Global Conference held in Kathmandu, Nepal from 13-15 October 2009. ICC representative presented an update of NRNA Finland activities. However since the conference was held soon after the elections, the presentation that was made consisted of activities of the previous ad hoc. The conference update was given to NCC Finland executive board. As a result of which NRNA Finland adopted and became part of the Charity project related to Danghighat Library which is covered elsewhere in this report.

Following the Global conference, ICC adopted a proposal to have a monthly telephone conference of all ICC representatives. However after a few such telephone conferences it became apparent that the logistics of having a conference call of over 30-40 people who all wanted to share information was quite difficult. During the initial phase of the meeting, ICC Representative of Finland conveyed the decision of NRNA Finland board to support of full dual citizenship proposal. In addition to above there have been updates made to ICC on activities of NRNA Finland, when needed.

## **Conclusion**

NRNA has been quite successful in raising its profile in the Nepalese and Finnish community in Finland within very short span of time through its numerous and successful activities. The association, in the future, will aspire to improve on this successful performance through a wider range of activities. To ensure that this happens, the NRN board seeks help from its members.
